Birchcrest B Neighborhood Roadway Improvements

Dear Resident:

Project Schedule

Remember, on-street parking during reconstruction will not be allowed in areas where crews are working.

This week, all sanitary and water main upgrades were finished for Phase I. Below is a picture of some of the work.

On Monday and Tuesday, crews will begin the storm sewer upgrades and installs throughout Phase I. Sump drain installation will also be completed throughout Phase I.

On Thursday and Friday, crews will begin sub-cutting the road in preparation for road base installation along Wilryan Avenue, 62nd Street, Rolf Avenue and Roberts Place. This will involve removing 1 to 2 feet of soil along the roadway. Remember to routinely check your front door for time sensitive notices.

All schedules are weather-dependent and are subject to change.

Communications

Please contact me if you have any questions or comments regarding this project. You can reach me at 952-826-0448 or dnorthenscold@EdinaMN.gov. For more information about emergencies, non-emergencies, site safety or what to do when you have special events or home improvement projects planned, visit www.EdinaMN.gov/BirchcrestbB.

Please encourage your neighbors to sign up for City Extra, as this will be our primary means of communication throughout the project. Visit www.EdinaMN.gov/CityExtra for more information.

The City of Edina and Palda & Sons, Inc. thank you for your patience and cooperation throughout the project.

Sincerely,
Derek Northenscold
Engineering Technician
